# TEAM NAME & EMBLEM

In 1967 the city of St. Louis was awarded an NHL franchise. The selection of the team's name was an easy one for owner Sid Salomon Jr. "The name of the team has to be the Blues" exclaimed Salomon, after being awarded the new franchise. "It's part of the city where W.C. Handy composed his famed song while thinking of his girl one morning."

The River City of St. Louis has a tradition for blues singers, and the team name represents its rich history. Salomon said, **"No matter where you go in town there's singing, that's the spirit of St. Louis."**

The emblem the team proudly displays on their sweater is the Blue Note. The Blue Note was taken from the music scale and represents the team's name. Although the Blue Note has been enhanced and modernized, it remains a St. Louis tradition.

The 1997-98 season saw the Blues introduce an "alternative sweater" in January that celebrates a traditional look with a nod to the future. A streamlined Blue Note reminiscent of Blue Notes worn on earlier jerseys is the foundation of the new look. A new "word mark" which introduced navy blue to the team's name and logo was phased in during the season along with the new, restored Blue Note.

The 1998-99 season saw the team unveil a new road uniform with the same clean, colorful design as the Blues' home sweater. This road uniform completed the transition to a totally new look on the road and at home.

In 2007-08, the Rbk EDGE Uniform System was introduced, marking the first time in the history of North American professional sports that a uniform innovation had been implemented League-wide.

On Nov. 21, 2008 vs. Anaheim, the Blues introduced their first ever third jersey. In contrast to previous Blues uniforms which were (and are) primarily accented in royal blue and gold, the third jersey and matching socks featured more emphasis on navy blue and white. The logo on the crest of the jersey featured the time-honored Blue Note against the Gateway Arch.

On January 2, 2017, the Blues hosted the Chicago Blackhawks in the Bridgestone NHL Winter Classic and debut their heritage jersey. The jersey, a nod to the Blues' original 1967 sweater, continues today as the team's third jersey.

## Doug Armstrong

### President of Hockey Operations and General Manager / Alternate Governor

---

Doug Armstrong was first named general manager on July 1, 2010 and became the Blues' president of hockey operations and general manager/alternate governor on Sept. 3, 2013. Armstrong is the longest-tenured GM in Blues history and currently the longest tenured in the NHL overall. Last season, on October 5, he became the 23rd GM in league history to manage in 1,000 games. Under his leadership, the Blues have posted five of the top six regular seasons in franchise history, captured three Central Division titles, and qualified for the postseason in 10 of the last 12 seasons.

In 2011-12, he led the club to its first Central Division title since 2000 and became the first manager in Blues history to earn the NHL's General Manager of the Year award. In 2018-19, Armstrong, the 11th GM in Blues history, led the Blues to the team's first-ever Stanley Cup Championship. Before prevailing over the Boston Bruins in seven games in the 2019 Stanley Cup Final, he steered the Blues to rise from last place in the NHL standings on Jan. 3 to a fifth-place finish in the Western Conference. The Blues became just the seventh team since 1967-68 to earn a playoff berth after ranking last overall at any point after New Years Day. In 2021-22, he led the team to 109 points, tied for the third best regular season in club history, and on Feb. 15, 2022, he became the 25th GM in NHL history to reach the 500-win plateau.

Armstrong has orchestrated the acquisitions of key players such as current assistant captains Brayden Schenn and Justin Faulk, and extended the contracts of core players, including 2020 All-Star Jordan Binnington, 2022 All-Star Jordan Kyrkou, Colton Parayko and Robert Thomas. He has also overseen the drafts of top prospects such as Zachary Bolduc, Jake Neighbours, Jimmy Snuggerud and 2023 first-round picks Dalibor Dvorsky, Otto Stenberg and Theo Lindstein.

Prior to joining the Blues, Armstrong spent 17 years with the Dallas Stars organization and his final six seasons as the club's GM. Under his watch, Dallas won two Pacific Division Championships (2002-03, 2005-06) and qualified for the playoffs four times. He started with the Stars when the club moved to Dallas in 1993 and helped lead the franchise to two Presidents' Trophies, two Western Conference titles and the 1999 Stanley Cup Championship.

On the international level, Armstrong has served Team Canada in multiple capacities at multiple tournaments. Most recently, he earned a gold medal as GM at the 2023 World Championships. He also captured gold as GM at the 2017 World Cup of Hockey, as a senior advisor at the 2016 IIHF World Championship, and as associate director of player personnel at the 2010 and 2014 Winter Olympics. In addition, he served as the club's GM at the 2009 IIHF World Championship (silver medal), assistant GM at the 2002 and 2008 IIHF World Championships (silver in 2008) as well as a special advisor to Steve Yzerman at the 2007 IIHF World Championship (gold medal). In 2007, Armstrong and Yzerman led Canada to a 9-0 tournament record, the country's first unblemished mark since the 1937 World Championships.

Armstrong and Yzerman are currently the only two general managers in the NHL that are members of the "Triple Gold Club," having been on the management staff for a Stanley Cup, Olympic Gold Medal and World Championship Gold Medal-winning team.

A native of Sarnia, Ontario, Armstrong is the son of NHL Hall of Fame linesman Neil Armstrong who was inducted into the Hall of Fame in 1991. Armstrong and his wife Kelly, son Blake, and daughter Kayla, live in Creve Coeur, Missouri.

## Chris Zimmerman

President and CEO of Business Operations  
Alternate Governor

Chris Zimmerman was named president and CEO of business operations for the Blues on June 16, 2014. He oversees all aspects of the Blues' business operations, as well as the Enterprise Center and the Blues' role and interest in Stifel Theatre.

In 2018-19, Zimmerman directed the Blues' front office during the organization's first-ever Stanley Cup Championship season. The season was the franchise's most successful financial season in team history, drawing record engagement from partners, sponsors and fans.

Overall, Zimmerman has led a resurgence of the franchise's business operations by cultivating new business opportunities and increasing sales across all organizational platforms. He has been successful in bringing primetime sporting events to St. Louis, including 2017, when the Blues hosted the Chicago Blackhawks in the NHL's marquee regular season event – the Bridgestone NHL Winter Classic – at Busch Stadium. He continued to build on those efforts in the summer of 2017, facilitating legislation that aided in the multi-million dollar renovation of Enterprise Center. The upgrades to the building have returned it to prominence and allowed St. Louis to remain competitive in hosting major national sporting events, concerts, and more. Most recently, St. Louis hosted the 2020 Honda NHL All-Star Game.

Zimmerman has also dedicated his efforts to expanding the Blues and hockey's footprint throughout the St. Louis community, the state of Missouri and the Midwest as a whole. He helped architect the Blues' Hockey STL 2020, an initiative that was successful in growing the game of hockey throughout the St. Louis region, in part, by introducing the game to tens of thousands of kids. The campaign focused on lowering cost barriers and communicating the awards of playing the game. Hockey STL 2020 also supported new rink development leading to the Blues, in partnership with the city of Maryland Heights and the St. Louis Legacy Ice Foundation, opening the doors to the Centene Community Ice Center in September of 2019. The regional, multi-sheet, hockey facility, located in Maryland Heights, is the only one of its kind within a 500-mile radius of St. Louis and hosts hockey at every level from learn-to-play to the NHL.

In conjunction with his efforts to continue to expand the organization's presence in the community and grow the game of hockey through the region, Zimmerman serves on the Board of Directors of the St. Louis Sports Commission, Blues for Kids, Downtown St. Louis, and the Legacy Ice Foundation.

Zimmerman came to the Blues with more than 30 years of experience in sports, marketing, and business management. Prior to joining the club, he spent four years as the president of Easton sports, while also serving on the Los Angeles Kings' Business Advisory Group. From 2006 to 2009, he was President, CEO, and alternate governor of the Vancouver Canucks. He was also chosen to be a member of the NHL's Business Advisory Council. Prior to joining the Canucks, Zimmerman was with Nike for 11 years, where he served in several capacities, including North America advertising director, general manager of Nike Golf, and president and CEO of Nike Bauer Hockey.

Zimmerman played hockey at the University of Vermont, and he served as an assistant hockey coach at Babson College while working toward his MBA there. Zimmerman, along with his late wife Emily and daughter Katie, relocated to St. Louis when he joined the Blues. Emily, who passed away from pancreatic cancer on May 7, 2023, was very active in the St. Louis community, including working with the Foundation for Fighting Blindness, the United Way and the St. Louis Urban League. Katie currently works in marketing at Kelly Mitchell while his son, Ted, works for the NFL's Seattle Seahawks.

# HOCKEY OPERATIONS

## Peter Chiarelli

### Vice President of Hockey Operations

---

Peter Chiarelli was named assistant general manager and vice president of hockey operations on Aug. 18, 2021.

Chiarelli began his executive career with the Ottawa Senators after the team hired him as assistant general manager in 1999. Following his stint with the Senators, the Nepean, Ontario, native was named GM of the Boston Bruins in 2006. During his tenure (2006-2015), the Bruins posted the 7th-best regular-season record in the NHL (386-233-85) and qualified for the postseason seven times. The team made two trips to the Conference Semi-Finals and two trips to the Stanley Cup Final, including capturing the 2011 Stanley Cup. On April 24, 2015, Chiarelli was named GM and president of hockey operations of the Edmonton Oilers.

Over almost four seasons, he led the Oilers to a 137-133-26 regular-season record and to an appearance in the second round of the 2017 Stanley Cup Playoffs.

Prior to his front office career, Chiarelli played four seasons at Harvard University before moving on to the University of Ottawa where he earned his law degree.

# ALL-STAR GAME HISTORY

## St. Louis Hosts 2020 Honda NHL All-Star Game

In 2020, the year after the Blues captured their first Stanley Cup Championship and several rounds of renovations to Enterprise Center, the Blues hosted the 2020 Honda NHL All-Star Game. It was St. Louis' third time playing host to the event,

joining 1970 and 1988. The Blues featured four representatives for the first time in 20 years, including Ryan O'Reilly, Alex Pietrangelo, David Perron, and Jordan Binnington.

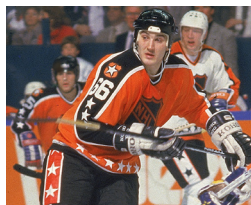

## Great All-Star Game Moments

In 2022, Jordan Kyrrou captured the NHL's Fastest Skater competition during All-Star weekend in Las Vegas. Kyrrou posted a time of 13.55 seconds to become the first Blue in team history to win the title.

Hall-of-famer Al MacInnis dominated the NHL's Hardest Shot competition during his career, winning the title seven times from 1990-2003. MacInnis, who did all of his damage with a wooden stick, won with speeds of over 100 MPH in both 1998 and 2000.

At the 1988 All-Star Game at the St. Louis Arena, Mario Lemieux logged six points, including the overtime game-winner to help the Wales Conference win 6-5. His six points set a new All-Star Game record.

St. Louis hosted the NHL All-Star Game for the first time in 1970. Bobby Hull won the game's MVP in a 4-1 win for the East. It was the first All-Star Game carried live on TV, airing on CBS.

On behalf of the St. Louis Blues, welcome to the 2024-25 National Hockey League season. We hope to make your job covering the Blues as easy and pleasant as possible. In order to help our operations run smoothly and make your jobs easier, we ask that you follow these guidelines:

### Media Credentials

Media credentials are issued to working media only and do not guarantee media seating. All season and individual game credential holders should enter through Security Base, located on 15th street. The media entrance opens an hour and a half prior to the start of each game. At this time, masks must be worn in Enterprise Center at all times. All credentials are non-transferable, and any unauthorized use will subject the bearer to ejection from Enterprise Center and confiscation of the credential.

### Individual Game Passes

Individual game credentials should be requested via email to Brett Barczewski (bbarczewski@stlblues.com) a minimum of 24 hours prior to game time. Any request made within 24 hours of game time may not be accommodated. Pre-arranged passes must be picked up at Security Base located on 15th street. Credentials will be issued on an availability basis.

### Gameday Media Availability

The Blues will host media availability prior to and following each game. We kindly ask that any requests for interviews outside of the general press conference be made well in advance of the requested time. Player availability will be held in the Blues locker room while the head coach's availabilities will be held in the Enterprise Center Media Room.

### Daily Practices

Blues practices will be held at either Enterprise Center or Centene Community Ice Center and will be open to the media. Up-to-date practice information will be emailed daily. To be added to the Blues' email distribution list, please contact Brett Barczewski (bbarczewski@stlblues.com).

# MEDIA INFORMATION

## **Press Box Access**

The main press box is located on the Penthouse Level. All media are required to display credentials at all times. Anyone refusing to display their credential will be subject to revocation. Due to protocols, the event level and dressing rooms will not be open to the media.

## **Broadcast Booth Positions**

Blues television broadcast booth position is located at section 320 on the Concourse Level. Visiting TV and Radio booth positions are located in the press box on the Penthouse Level.

## **Press Notes**

Game notes and NHL statistics will be emailed to our distribution list for each game. The Blues will offer limited hard copies of notes, statistics or game sheets in the Enterprise Center Media Room.

## **Photography**

Photo credentials will also be issued in the same manner as other passes. Weekly papers and magazines on assignment may obtain passes by having the photo editor request a single-game credential to the media relations department 24 hours in advance. Photo positions will be assigned by the Blues' team photographer Scott Rovak ([scottrovak@gmail.com](mailto:scottrovak@gmail.com)) in conjunction with the public relations department. Photographers should check in with Scott prior to game time. All photographers must comply with space assignments and shooting regulations. Photographers must shoot from designated areas only.

## **Statisticians**

Statisticians are available to assist television broadcasters by contacting the Blues' public relations department. These services must be arranged at least 24 hours prior to the game.

We hope this outline of procedures and guidelines will assist you in your coverage of the St. Louis Blues and the National Hockey League this postseason. Please do not hesitate to contact us if you need additional assistance. We look forward to working with you.

## How To Figure

\*\* NOTE: No individual skater/goaltender statistics apply for the shootout

**ASSIST** An assist is awarded to the player or players (maximum of two) who touched the puck prior to the goal, provided no defender plays or possesses the puck in between.

**GAME PLAYED** A player receives credit for playing in a game if: 1) he steps on the ice during time played or; 2) serves any penalty.

**GAME-WINNING GOAL** After the final score has been determined, the goal which leaves the winning Club one goal ahead of its opponent is the game-winning goal (example: if Team A beats Team B 8-3, the player scoring the fourth goal for Team A receives credit for the game-winning goal).

**GOAL** A goal is awarded to the last player on the scoring Club to touch the puck prior to the puck entering the net.

**GOALS-AGAINST AVERAGE** Multiply goals allowed (GA) by 60 and divide by minutes played (MINS).

**GOALTENDER** A goaltender receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout.

**PENALTY-KILLING PCT.** Subtract total number of power-play goals allowed from total number of shorthanded situations to get total number of power-plays killed. Divide the total number of power-plays killed by the total number of shorthanded situations.

**PLUS-MINUS** A player receives a "plus" if he is on the ice when his Club scores an even-strength or shorthand goal. He receives a "minus" if he is on the ice for an even-strength or shorthand goal scored by the opposing Club. The difference in these numbers is considered the player's plus-minus statistic.

**POWER-PLAY GOAL** A goal scored by a Club while it has a manpower advantage due to an opponent's penalty. Following are some examples of what is and is not considered a power-play goal:

- if a Club has an advantage on a minor penalty starting at 2:02 of the period and it scores at 4:02, the goal is not a power-play goal.
- if a Club scores on a delayed penalty, the goal is not a power-play goal.
- if a Club has an advantage due to a five-minute major or match penalty, that Club is always credited with having one more advantage than the number of power-play goals it scores during that advantage, because the penalty does not expire. A new advantage begins after each power-play goal. For example, if Team A scores three goals during a major penalty, it is credited with four advantages.
- if a Club is on a power-play for any length of time, it is considered to have had an advantage.
- if a minor penalty is incurred by a Club on a power-play due to a major penalty, a new advantage is given to that Club when its minor penalty expires, provided the opponent's major penalty is still in effect.

# NHL INFORMATION

## How To Figure

### POWER-PLAY PERCENTAGE

Total number of power-play goals divided by total number of power-play opportunities.

### SAVE PERCENTAGE

Subtract goals allowed (GA) from shots against (SA) to determine saves. Then divide saves by shots-against.

### SHOOTING PERCENTAGE

Divide the number of goals scored by the number of shots taken.

### SHORTHAND GOAL

A goal scored by a Club while it is at a manpower disadvantage. The same cases apply for shorthand as for power-play goals, but in the opposite manner.

### SHOT ON GOAL

If a player shoots the puck with the intention of scoring and if that shot would have gone in the net had the goaltender not stopped it, the shot is recorded as a "shot on goal".

### SHUTOUT

If two goaltenders combine for a shutout, neither receives credit for the shutout. Instead it is recorded as a Club Shutout.

### TENTHS OF A SECOND

If a penalty or goal occurs in the last minute, the time is rounded off to the previous second (ex: if a penalty is called with 12.4 seconds left in a period, the time is indicated as 19:47 and not 19:48.)

### COACHES RECORD

A coach receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout.
